#### Weather Summary/Alert:

In the coming five days, weather will remain clear. Maximum & minimum temperature may range from 24.0 to 25.0 deg C & 10.0 to 12.0 deg C respectively and wind will blow with a speed of 6.0 km/hr from the NE & NW direction. As per ERFS products, rainfall will remain normal and maximum & minimum temperature will be above normal in the district from 14 to 20 April.

#### **General Advisory:**

In view of the severe spread of Corona (Covid-19), the farmers are advised to follow the guidelines given by the Government of India, personal hygiene, use of masks, washing hands at appropriate intervals during agricultural operations. NDVI & SPI map received from the India Meteorological Department dated indicated that the NDVI ranged between 0.2-0.4 for Nainital i.e. agriculture vigor is moderate in the district. SPI map indicates the moderately dry conditions in the district for the past 4 weeks.

#### **SMS Advisory:**

Weather will remain clear in the coming five days and wind will blow with a speed of 6.0 km/hr from the NE & NW direction.
